1952

To Susie,
you sure are
a wonderful girl.
I hope we'll be
friends. Maybe we can
be all two old maids at Thanksgiving
next year. Stay luck too sweet girl.

Susie,
a swell gal.
You're sure to
succeed with your
personality.
Janey Jones

To Susie,
The best friend I've
ever had (in spite of the
little episode in 2nd grade).
Best of luck in every thing
you undertake - you're sure
to succeed. Love always,
Nancy

To Susie
that Spanish girl?
A real great gal!
Love
Leticia M. Brown

Susie,
A great gal with
a matching personality.
Remember all the good
times we have had at
East, parties and W.B.S.
Be good to Frank and
Good Luck in everything
you tackle.

To Susie -
you are a swell kid
and I have enjoyed knowing
you. Never lose your sparkling
personality. I know you will
go a long way.
The best of luck to you in
every thing Joyce

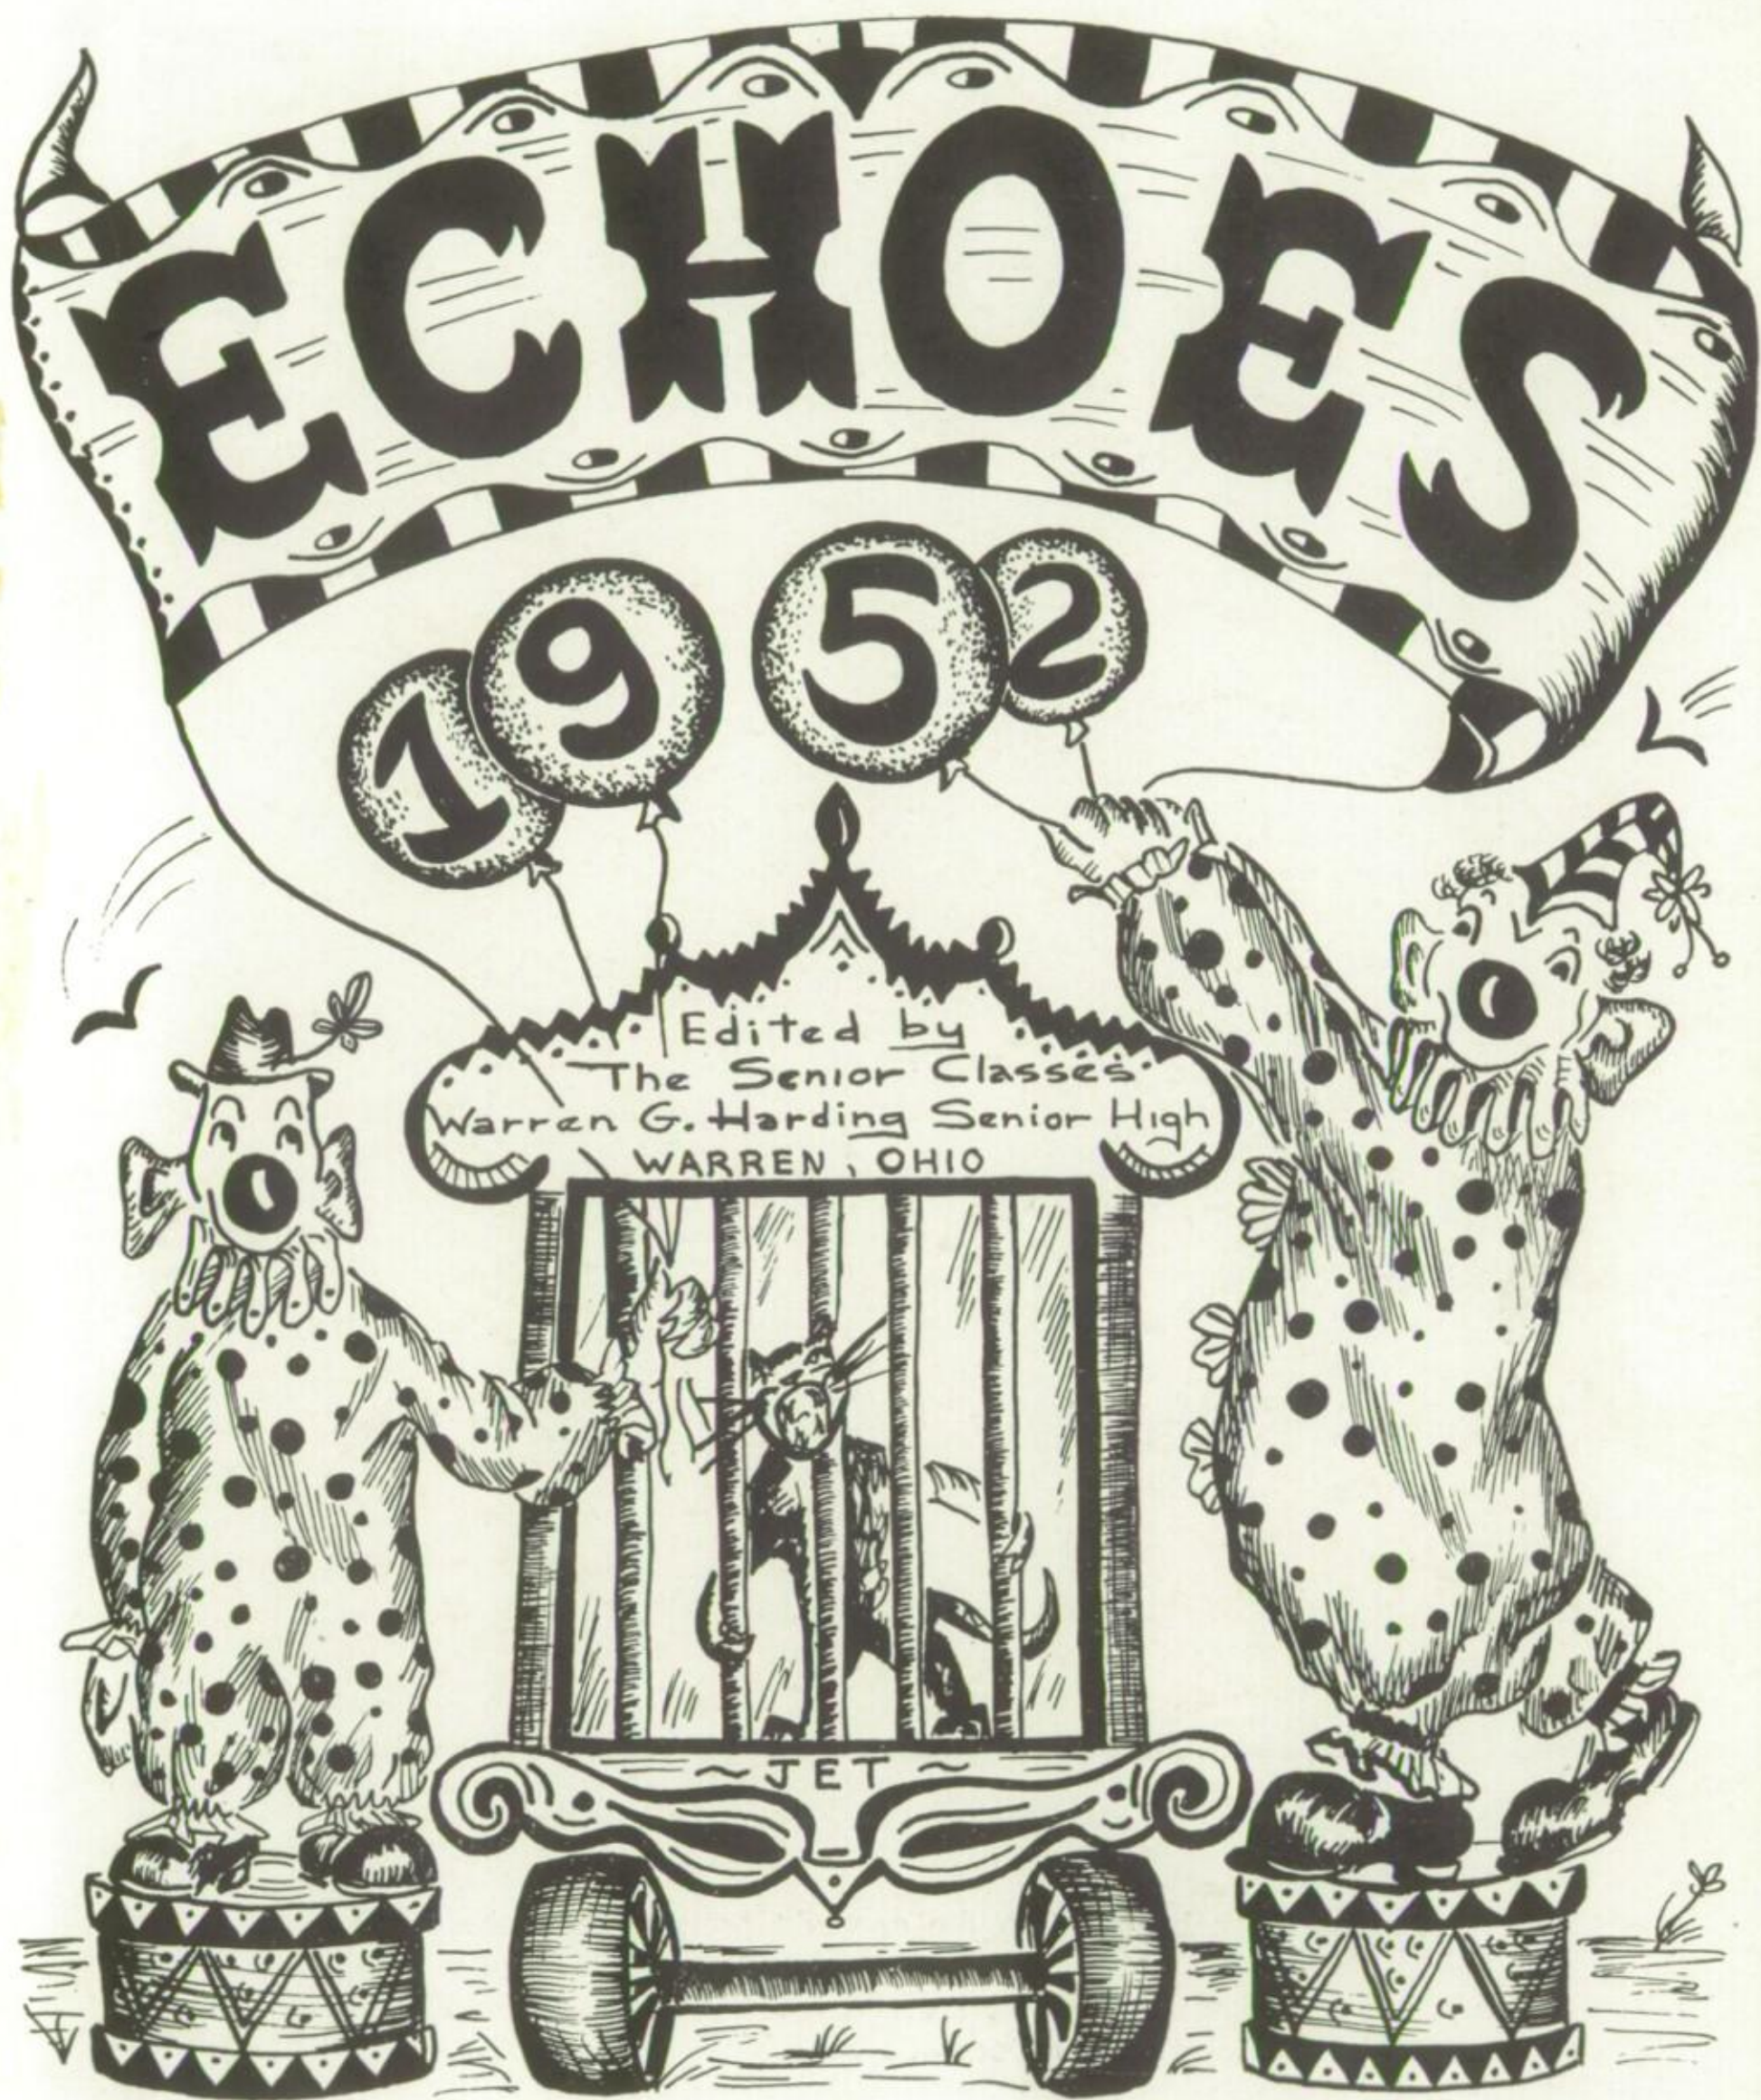

The first part of the paper discusses the importance of the research and the objectives of the study. It then presents a literature review of the existing research on the topic. The second part of the paper describes the methodology used in the study, including the data collection and analysis techniques. The third part of the paper presents the results of the study, and the fourth part discusses the implications of the findings. The paper concludes with a summary of the main findings and a list of references.

The research was conducted in a systematic and rigorous manner, following the principles of good research practice. The data was collected from a representative sample of the population, and the analysis was carried out using appropriate statistical methods. The results of the study are presented in a clear and concise manner, and the implications of the findings are discussed in detail. The paper is well-written and easy to read, and it provides a valuable contribution to the field of research.

The findings of the study have important implications for the field of research, and they provide a basis for further research. The results show that there is a significant relationship between the variables studied, and this relationship is consistent across the different groups and conditions. The findings also suggest that there are some factors that can influence the relationship, and these factors should be taken into account in future research.

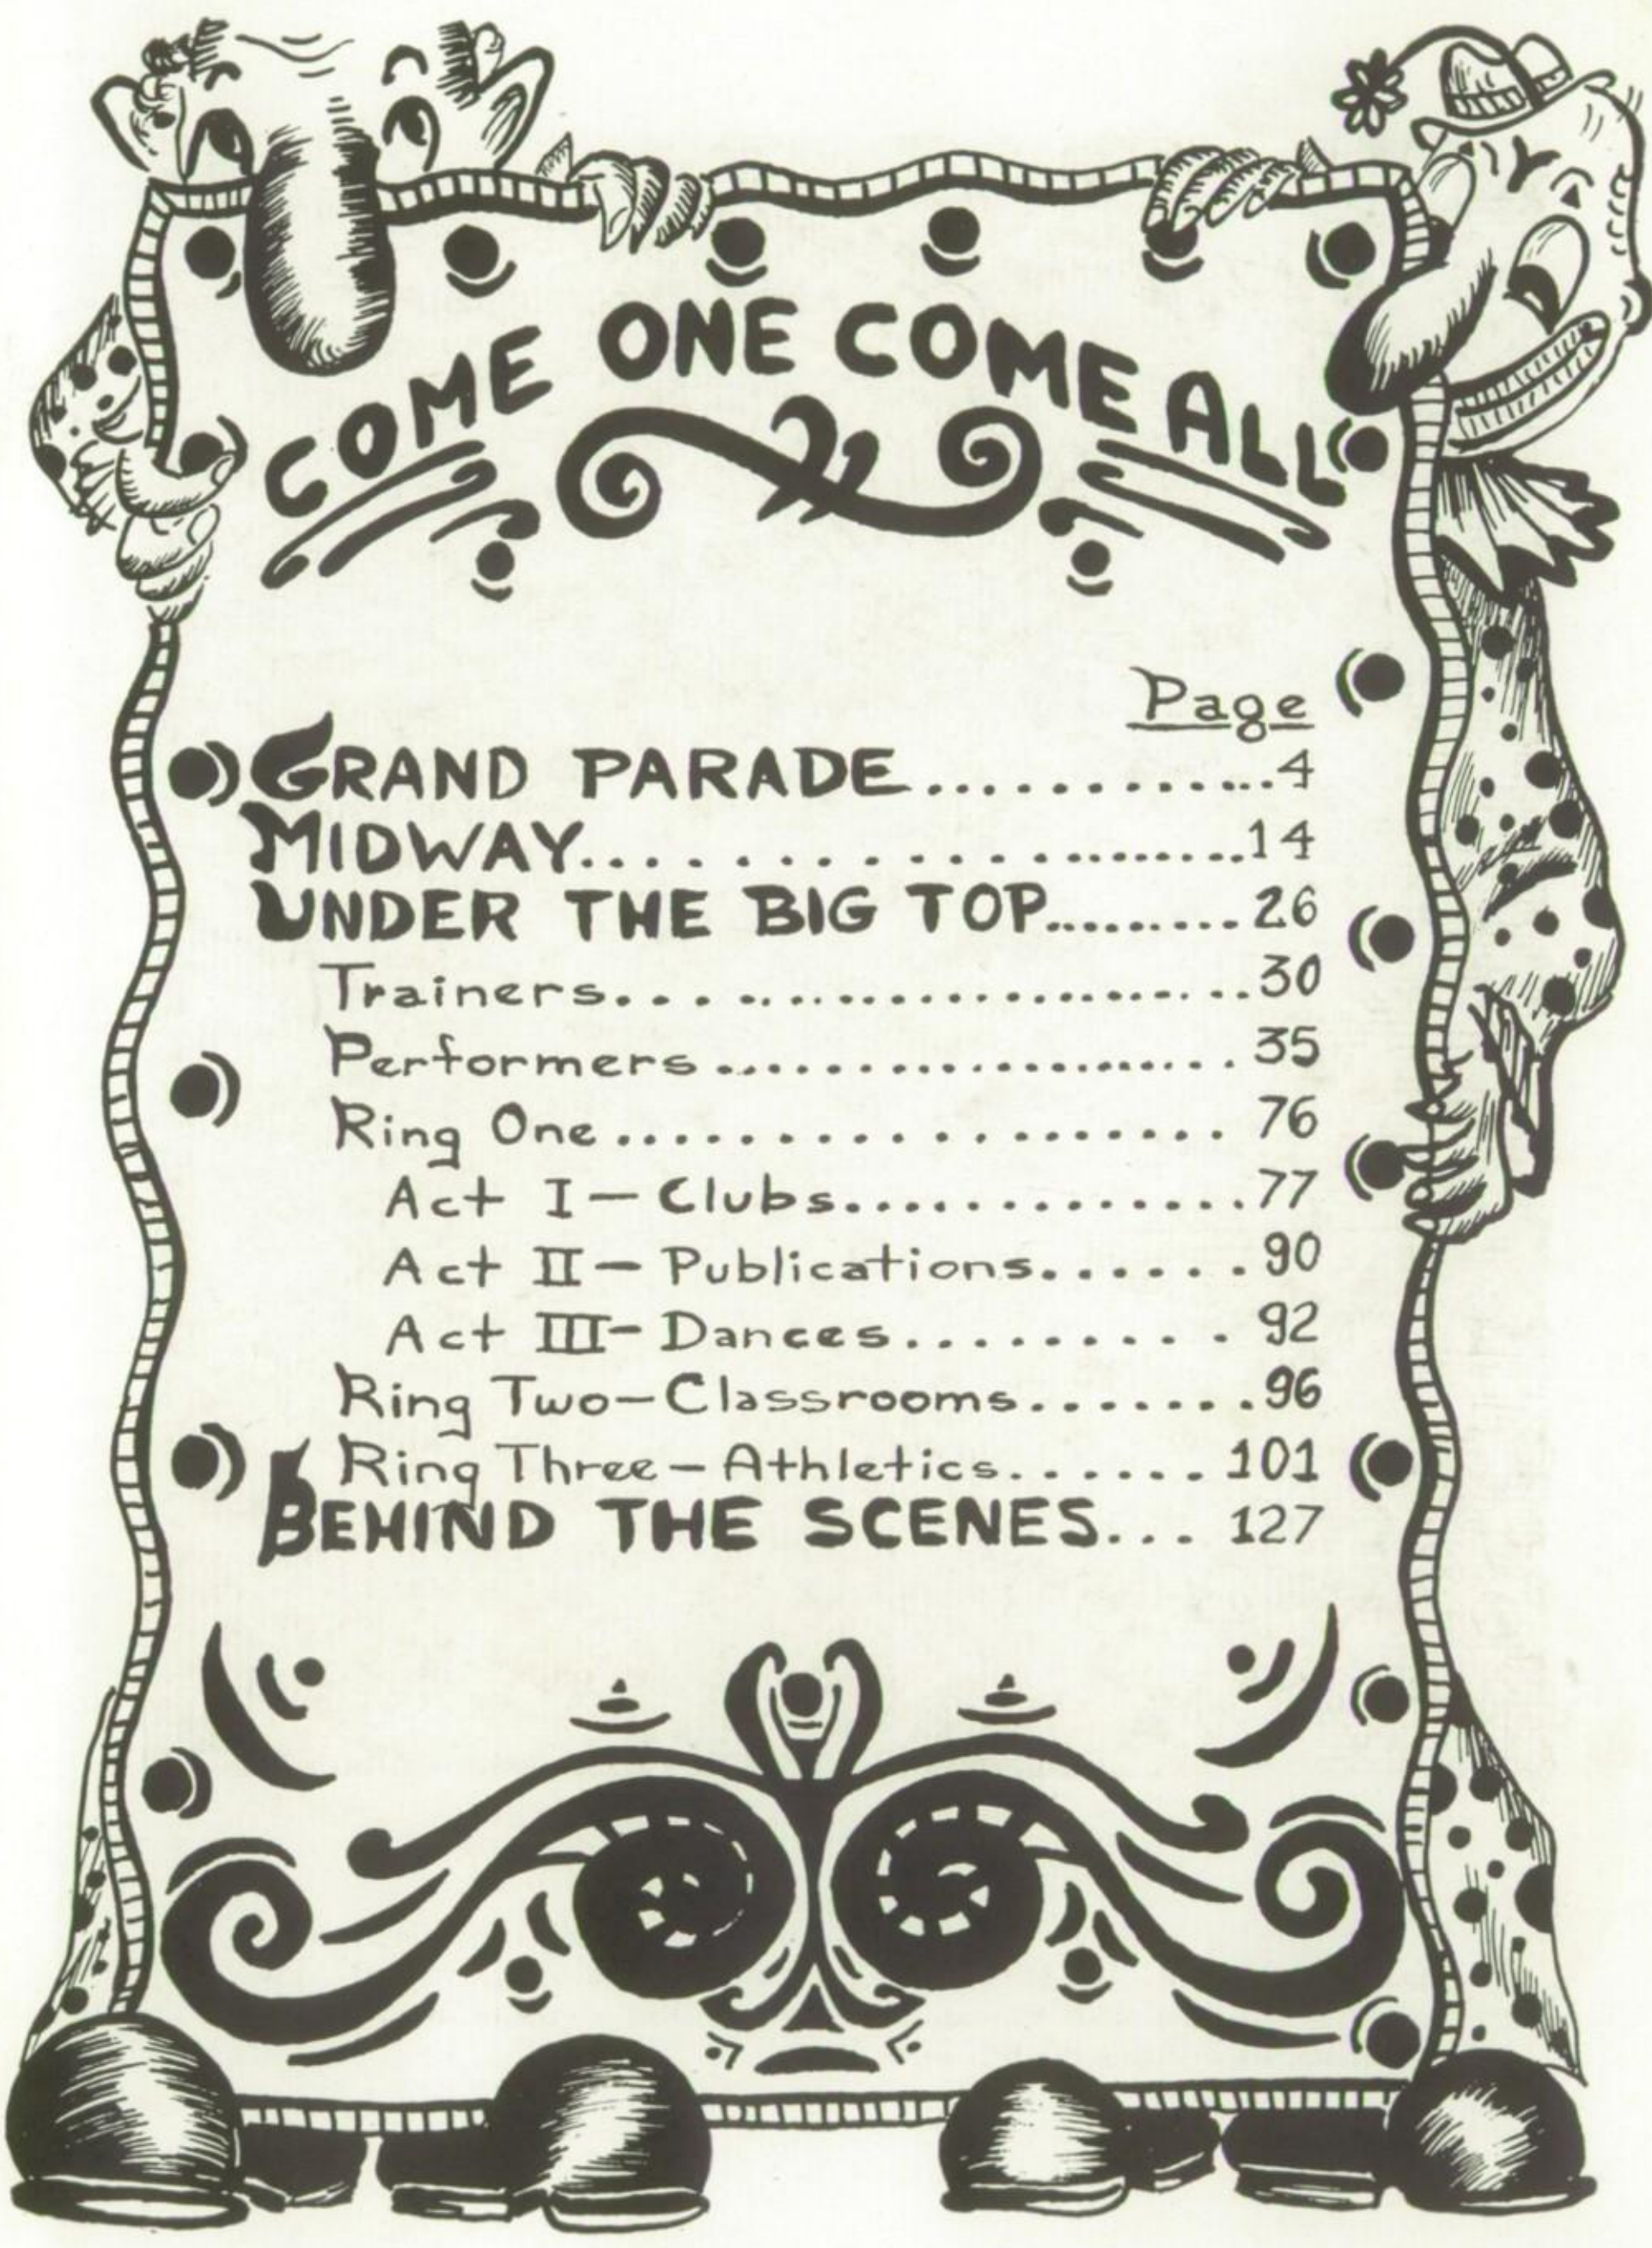

The paper is a well-written and informative contribution to the field of research, and it provides a valuable resource for researchers and students alike. The findings of the study are presented in a clear and concise manner, and the implications of the findings are discussed in detail. The paper is well-written and easy to read, and it provides a valuable contribution to the field of research.

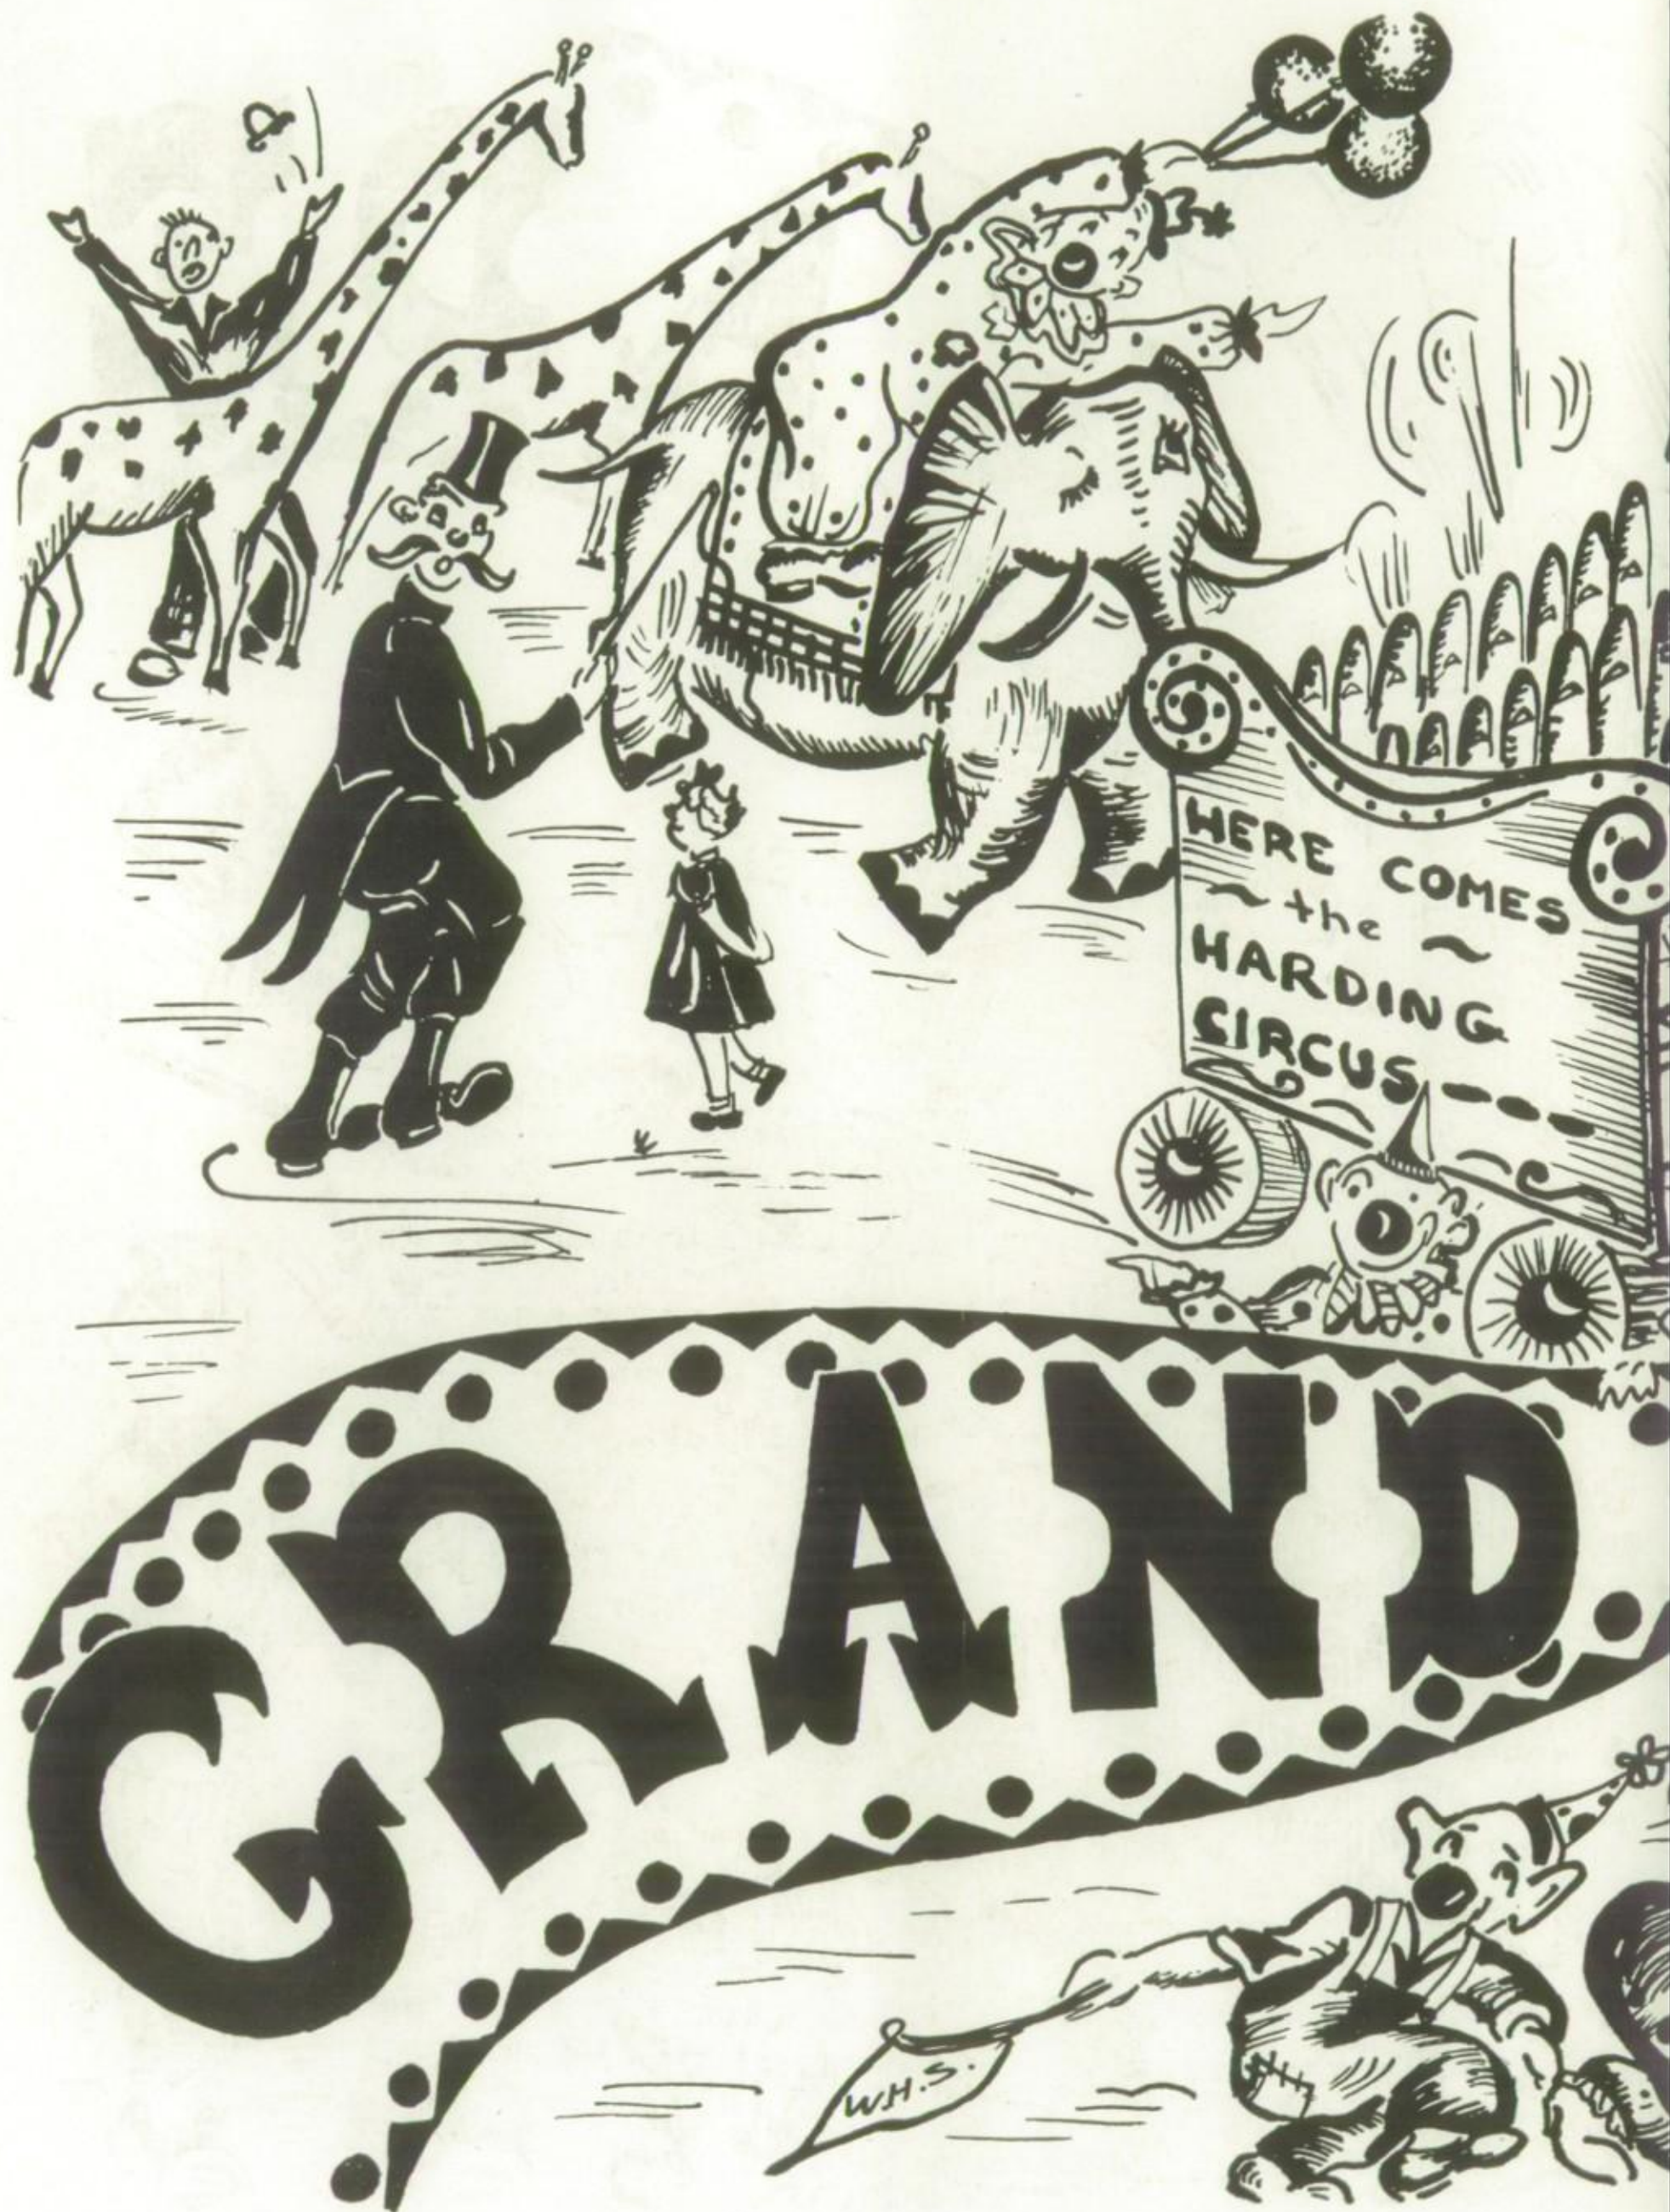

As the show begins, into the spotlight proudly steps the Ringmaster, Milton Mollenkopf. Our principal's loyalty and understanding have led many a young performer along the road to success. To this unexcelled Master of all the Rings we dedicate the Echoes of 1952.

THE 1951 GRIDIRON

The "Cinderella" football team of 1951 will long be remembered at Harding High. The Panthers sent the town into hysterics by ending a twenty-game Massillon winning streak in the upset of the Ohio Scholastic football season. Warren tied Massillon for the championship of the Ohio Scholastic Conference. Dave Rogers, the squad's ace fullback, was elected the outstanding high school football player in the State of Ohio and named on the Scholastic All American Team. He had one of his shoes bronzed for being the outstanding player in the city. He was a unanimous choice for All-Ohio honors, the first Harding gridder so honored since Len Corbin. Twenty-nine players and Manager Jack Logue were presented with gold footballs by the downtown Boosters' Club for copping the O.S.C. title. And to top it off, Coach Chuck Riffle, severely criticized in his first two years at the helm, was named to coach the North All-Stars in the Annual North-South Senior game at Akron this August. Two of the starters will be Rogers and tackle George Nicula. It was truly a season to remember.

But early in September it looked as though it would be a season to forget. The bulwark of last year's team had been graduated. The athletic fund was so deep in the red that the squad was forced to do their spring training on the school practice field instead of making their usual trip to Camp Chickagami.

The season started off poorly as the Rifflemen dropped their opener to the Cleveland Collinwood Railroaders 12-7. Warren roared back in the final period after trailing 12-0 to push over a tally but failed to take advantage of a blocked kick in the last minute. It was a dreary prelude to a smashing season.

The next Friday was an entirely different story. Our old friends from Canton McKinley dropped in to pay us a visit and when they went home they took with them their worst defeat in twenty years, a 45-6 drubbing. Canton was the pre-game favorite but no one had realized how far the Bulldogs had slipped from last season. Then there was another little factor which contributed to the final result. A certain Mr. Rogers, who had carried the ball but four times against Collinwood, ran wild against Canton. He carried the ball ten times from scrimmage and racked up 191 gained yards. Included in that were runs of 62 and 58 yards for tallies. The victory was also a tribute to Warren's fine defensive platoon which allowed the once-mighty Cantonites but two yards net gained rushing.

Sidelined by injuries — Don Stroup discusses strategy with veteran back, Curt Gear.

Next we played host to Farrell, Pennsylvania. The Pennsylvanians were undefeated and on their way to a very successful season which was to see them crowned Western Pennsylvania Champions. Going into the fourth quarter the score was tied 6-6 but when the final gun went off Warren had knocked a smashing 26-6 triumph. Dave Rogers continued his fine play by adding three scores to the Night Raiders' fate.

Then came the game that we try to forget—that Mansfield episode! The Tigers, a decided underdog, capitalized on "breaks" to stop four Warren first-half drives within their twenty-yard line. The game seemed headed for a scoreless deadlock when Warren broke loose with only 2 minutes 50 seconds to go. Then driving 65 yards in five plays, Rogers scored from the five. Pesanelli's placement was no good. Mansfield bounced back and hit the jackpot on two long passes. Their tying touchdown came with only a minute to go and a successful placement attempt put Warren behind. The Panthers were down but not out. Seem hit Merolla and Reed with long passes to put the pigskin on the Tigers' 33. Here Coach Riffle called for a field goal but Pesanelli's attempt fell short. The Tigers took over and killed the clock.

Campbell Memorial felt the Panthers' rage the next Friday before a homecoming crowd of 7,000. Warren scored in every period to hand the Red Devils their worst beating in a decade, 41-2. Warren rolled up 305 yards on the ground while Campbell had a net yards gained of thirteen. Rogers and Gear each had a pair of scores and Curt even scored for Memorial when he was tackled in the end zone. Included in the Rifflemen's tally was a 71 yard jaunt by Dave Rogers.

The Warren gridders got ready for the all-important Massillon tilt by dumping Alliance 40-6. Warren gave the Alliance players and fans a preview of things to come by tallying twice in the first seven minutes. The fine play of Don Seem and Dave Rogers highlighted the game. Seem completely outshone highly-talented Len Dawson as he pitched for three scores, completing 8 out of 12 as compared to 12 out of 32 for Dawson. In view of this, one can understand the shock Warren fans got when they viewed the All Conference Team selections. Bryant carried one of Seem's pitches 63 yards for the first tally.

And so the stage was set for the game which will live forever in the hearts of Harding High Alumni and students. A big, cocky, unbeaten, Massillon Tiger team came to town to teach this nervous Warren team a lesson. State Champions for three straight years and unbeaten in their last 20 games, the mighty Mathermen had plenty to be confident about. Hadn't they beaten Mansfield 54-0 the week after Mansfield dropped Harding? But a hard-fighting, "never-say-die" Warren thought differently and proved their point to the hearty satisfaction of 12,000 delirious fans who packed Harding stadium to overflowing. Fans experienced a real spine tingler when Warren capitalized on four Massillon fumbles to score the upset of the year 19-13. The first half was evenly played. The visitors rallied to tie the score at 13-13 after Warren took a 13-0 lead. But the second half was an entirely different story. Although the Rifflemen scored but once, they missed several other scoring opportunities. The defeat was a sound one and even the most rabid Massillon fans had to admit they were outplayed. After the final gun sounded a mob scene broke loose. It took a police escort to get the team off the field. Many of the players took a worse beating on the way to the dressing room than in the game. The celebrating lasted until the wee hours of the morning.

Panther Emergency Men—C. Quinby, J. Logue, D. Dyer, W. Brown and R. Wilson keep the team well supplied.

In a blinding snowstorm Warren played host to oft-beaten Erie Academy. Continuing the fine play they exhibited the previous week Warren humiliated the Academy, rolling up a 65-6 score. It was the biggest romp for Harding since 1931. The victors scored in every period with Dave Rogers heading the parade, scoring four times. Curt Gear got things off on the right foot by returning the opening kickoff 78 yards for the first of 7 TD's. History almost repeated itself when Gear took the second half kickoff on the Warren 20 and raced through the Erie team only to have the ball squirt out of his hand on the Erie 35. Even little Don Seem got in the scoring act, pulling a quarterback sneak over from the 12. Late in the game Coach Riffle tried to ease up on Erie by sending in a sophomore squad. But the sophs gave the "bossman" a pleasant surprise by engineering the final tally, Preston scoring from the three.

Stonewall Defense—held the opposition to 8 points a game.

Warren put their state-title hopes on the line in the important clash with Steubenville Wells, beaten only by Massillon, and that in the last ten seconds. The "Down-staters" may not have played the best but they certainly played the most questionable football seen in Warren in a long, long time. Although beaten 13-12, the game was a fine tribute to Warren's clean play and to the training which they have received from the coaching staff. The game was one of those that could have gone either way. Pesanelli missed two placements and a field goal. Other important factors were two costly Warren fumbles, a spectacular passing attack that covered 76 yards only to be spiked by the gun ending the second half, a third period thrust that ended on the nine, and a pass interception by the Big Red on its own 21 in the last ten minutes. Steubenville tallied the game winner on a 65-yard run in the last period. The deciding extra point was scored on a line buck. Warren bounced back to score in the last five minutes, Rogers going 15-yards. Pesanelli's placement try was high and wide and the visitors held their edge for the last 5 minutes.

Barely missing—the outstretched hand of a Canton McKinley player, D. Stroup gathers steam as he drives for the goal line.

Successful breakthrough—in Farrell game, demonstrated by D. Rogers, ends with a fumble.

Sandwiched between—two Massillon players, R. Bryant slashes off yardage in the Tiger upset.

Sidestepping—a hopeful Alliance tackler, C. Gear picks up a "first and ten."

Co-Captains—G. Nicula and D. Seem receive congratulations from Coach Riffle and guest speaker, Ed Finnigan.

Students' Choice—for homecoming queen was pretty B. Fetsko.

Place-kick artist—E. Pesanelli, lines up an extra point.

Driving Dave Rogers—is Ohio's top fullback for 1951.

Sensational passing by Don Seem gave Warren a 27-7 victory over Toledo Waite. Seem passed to Steve Leigh for the first tally and jump-passed to Bryant who raced 35 to break a 7-7 tie in the second quarter. Dave Rogers tallied the final pair of T. D.'s to notch Warren's seventh victory in ten starts. Toledo gave the Panthers a much stiffer fight than the scoreboard indicated and Warren's superior scoring power was the difference.

In the traditional Thanksgiving Day game with Niles, David Rogers closed out his scholastic career with a display of power as he led Warren in a 27-0 whitewash over Niles. Dave tallied three times and drove for 238 net yards through a tough Red Dragon squad. Warren drove 83 yards in the opening period, Rogers going the last yard for the score. Warren scored twice in less than a minute in the second quarter capitalizing on a pair of pass interceptions. Rogers scored the first from the eleven and hard-working defensive end John Krafcik got into the act by grabbing a fumbled lateral and dashing 23 yards for a score.

And so the curtain rang down on the '51 season. It was truly a year to be remembered. Space should be made in Harding's "Hall of Fame," for several new heroes have been born. Dave Rogers, Jim Marco, George Nicula, Elmer Yenchochik, and Don Seem have added their names to the scroll of Panther grid immortals.

Running skill—is displayed by D. Rogers as teammate performs mid-air ballet over a blocked Massillon player.

Another six points—as D. Rogers sprints for the Campbell Memorial goal line with excellent blocking.

Victorious Panthers—carry their triumphant coach from the field after edging Massillon 19-13.

PANTHER CUBS

Coach Tony Marcarello's first year as Cub mentor saw the tenth graders cop five straight games before dropping a heartbreaker 13-12 at Massillon.

The sophomores started off on the right foot by dumping Cuyahoga Falls 36-6. In their first home appearance Jim Rogers tallied all three T. D.'s as the Marcarellomen blanked Sharon, Pennsylvania 20-0. Included in the trio was a 96-yard run from scrimmage.

But if Rogers shocked Sharon, he did more than that to Youngstown Wilson when he scored five touchdowns against them. It looks as if the name Rogers is going to remain in Warren's vocabulary.

The fans who followed the sophomores to Massillon came home convinced that although Massillon had the biggest score, Warren had the better team. The Tigers scored in the last three and one-half minutes against Warren's second team to take a thriller 13-12.

The sophomores were well-represented at varsity games with J. Riffle, N. Angelo, D. Venetta, D. Preston, and J. Rogers seeing considerable action.

Five triumphs came nowhere near quenching our tenth graders' thirst for victory and the gridiron menu for the next two years can certainly be eagerly anticipated.

The 1951 Panther team was victorious in three games, although handicapped by lack of height. Warren dropped the first five games, but a win over the Alumni broke the losing streak. Previous to this game, the Panther five averaged forty-nine points per game. This triumph spurred the team on to two more successive wins. These were against Girard and Canton Lehman. These three were the only victories of the season.

In the first round of the season, Warren had the services of three seasoned veterans: Bryant, Reed and Vlad. The January graduation took these three. Coach Lafferty then brought up some of the reserve team. The replacements, although lacking experience, played in the remaining games. The revised team dropped some tough decisions averaging 44 points per game as against a 62-point average by opponents. Lafferty says, "These boys show great promise for next year's varsity."

The Varsity Team used a zone defense, and on a few occasions shifted to a man-to-man defense. Several different offenses were used. Among these were different forms of the zone such as the one-two-two. A five-man weave was also worked effectively against different opponents. A series of plays were also used as an offense. John Vlad called these plays the first half of the season, and Charles Hyman succeeded him after the January graduation.

The Panther five downed Austintown 59 to 50 playing an improved brand of ball over this season's play. Charles Hyman paced his teammates with 25 points. A fighting Panther five met Youngstown North at the South High Field House two nights later. The team played hard to the end, but came out on the short end of a 77 to 48 victory.

The Panther Cubs had a poor season this year, winning four games and losing ten. The team looked good on many occasions, but didn't play consistent ball. Shortness was an ailment that made control of the backboard difficult. The Cubs dropped their first four games and then rebounded on Niles, winning 56-42. After this win the team started clicking and downed Girard 55-31, Akron 37-32, and Youngstown Rayen 54-50. The Cubs lost ten games of the season. Six of these losses were by five points or less.

Coach Lou Kemp drilled his reserves diligently every night, but failed to get a winning combination. The Reserves owed their losses to poor ball handling, usually in the late minutes of the game. The team, however, played much better ball than the records show. Two games were lost by a single basket.

In the Girard game the Reserve Five displayed their best winning form. The Cub passing was sharp and the Girard cagers never threatened. Soon after graduation Kemp's best material was moved up to the varsity, and he renewed his teambuilding efforts. The Reserve season ended with a 65-56 loss to Massillon.

FOR THE FIRST TIME—DISTRICT TRACK CHAMPS!

The 1951 track team, featuring Bob Latimer and Bill Reed as the star speedsters, turned in one of the best records in the history of Harding High. Under the leadership of their new coach, Mr. Johnson, they were able to roll up a season record of four wins and no losses. In our win column was the outstanding victory over Niles, which was the greatest romp since our track competition began.

In the first triangular meet of the season, Warren swamped Struthers and Youngstown as Coach Johnson's harriers captured 11 of the 14 events on the program to pile up 92 points.

The Warren Cindermen journeyed to the district meet at Salem with little hope of even coming close to winning. But when they left the meet, they carried with them the Northeastern Ohio Conference championship. The trackmen piled up 36-1/5 points to defeat a field of 26 Ohio schools. The district title hinged upon Warren's mile relay team, the final event

on the program. As the first baton was passed it looked as though Warren might lose for they trailed by 30 yards. But Bob Latimer swept into the lead in the stretch of the second lap to put the team in the lead. The other milers of the relay team are Ed Dillon, Salvi Merolla and George Glenn.

Won the district baseball championship.

Under the direction of Coach Louis Kemp, the 1951 Harding baseball team turned in the finest season in the school's history. The diamondmen recorded 18 victories against one loss. The only setback came at the hands of Portsmouth, Harding's first and last opponent at the Regional Tournament.

Previous to the Portsmouth affair, Warren had won the Ohio Scholastic Conference crown at Canton, the District Title at Youngstown, and the championship of the Mahoning Valley League for the third year.

Although the backbone of the 1950 pitching staff had been graduated, the Panthers received adequate replacements in Roger Rodzen, Bob Delida, and Joe Sabino. Rodzen was credited with seven victories including a one-hitter and a two-hitter at the district tournament. Sabino turned in some fine hurling but hurt his arm after pitching a no-hitter against Youngstown Chaney and was relegated to the outfield.

Roger Bryant, the shortstop, led the batsmen with a robust .460 average. Bill White, the first sacker, copped the team homerun championship.

Warren had an unusually good year in the field. During the Ohio Scholastic Conference tournament, the Kempmen turned in one of those baseball rarities, a triple play.

The Girls' Athletic Association consists of girls who are interested in sports. The different teams are made up from the grade groups.

Games are scheduled at 3:00 every school day. For each game the girl must wear her standard blue gym suit and tennis shoes.

A specified number of points is given for each game. This means the girl is required to be present at a majority of the games in order to win a letter.

The members sell concessions at home basketball games so that they might earn money toward new equipment and for the purchase of their awards.

The first part of the paper discusses the importance of understanding the cultural context of the research. It highlights the need for researchers to be sensitive to the values and beliefs of the communities they are studying. This is particularly important in the field of education, where cultural differences can significantly impact learning outcomes. The author argues that a one-size-fits-all approach to education is not only ineffective but also disrespectful to the diverse cultures of our world.

In the second part, the author explores the challenges of conducting research in non-Western contexts. One major challenge is the lack of standardized research methods that are applicable across different cultures. What works in one cultural setting may not work in another. The author provides examples of how researchers have adapted their methods to better fit the needs of their study populations. For instance, some researchers have found that using local languages and involving community members in the research process can lead to more accurate and meaningful results.

The third part of the paper focuses on the ethical considerations of cross-cultural research. It emphasizes the importance of obtaining informed consent from participants, especially in communities where there may be a power imbalance between researchers and the community. The author also discusses the potential for research to be used in ways that could harm the community, and argues that researchers have a responsibility to ensure that their work is for the benefit of the community.

Finally, the author concludes by calling for a more collaborative approach to research. Instead of researchers simply studying communities from a distance, they should be working with community members to identify their needs and develop solutions. This approach not only leads to more effective research but also helps to build capacity within the community and promotes sustainable development.
